

INTERACTIVE VISITS

The main objective of the interactive visits to Ministries is to discuss with sector Ministers (and key institutions within the Government Machinery) and their top officials, specific issues relating to the mandate of the PSC. The Commission has expanded the scope and coverage of the visits to include interactions with members of governing boards/councils, to discuss ways of improving corporate governance within their institutions for efficient and effective performance. The table below provides a list of past Interactive visits by the Commission.
