

CONFERENCE OF CHIEF EXECUTIVES, CHIEF DIRECTORS AND CHAIRMEN OF GOVERNING BOARDS/COUNCILS

The Conference of Public Service Chief Executives, Chief Directors and Chairmen of Governing Boards/Councils was instituted by the Commission in March, 2004. The objective of the conference is to provide a platform for the President of the nation to address chief executives, chief directors and chairmen of governing boards/ councils on the National Agenda and on issues/topics of national interest and concern. It also aims at sensitizing public officials on the Commission's role in human resource development and management. The themes and topics of conferences organised by the Commission in previous years are shown in the table below.
